- c) Dues change: Onray suggested that due to no shooting that the dues should be waived or maybe only \$5.00. Doug Foley said to keep the dues the same. Bob asked is there any possibility to shoot in the future. John said that since we do not have the range to practice at so we should table this discussion. Len said bi-laws are addressed in the policy statement, he feels that the bi-laws would have to be amended to change. Chris asked why did we not have shoot. Dave stated that it was because of the land owner. Chris asked why Dave talked to the Lawyer. Dave stated his opinion. We will leave dues as they are currently are.
- d) Status of lease negotiations: Two lawyers meet with the appraiser with Hank, Sherry and Dave. Dave checked with the Archer range, he does not feel it will meet our needs right now. Dave has looked at a piece of land out east of town. It is 160 acres and price would be negotiable. It would require a zone change. Asking price is \$125,000.00.
